

Linked Sections and Figures Fixture

pdf2md Phase 1A

1 Overview

This section introduces the fixture and includes a footnote¹.

1.1 Figure and Equation Links

Figure 1 and Equation 1 are referenced from this subsection.

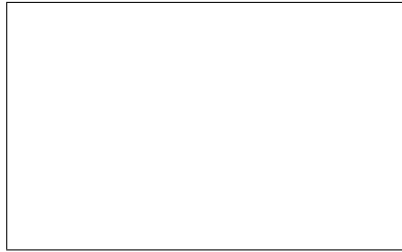

Figure 1: A simple boxed figure created with LaTeX primitives.

$$E = mc^2 \tag{1}$$

2 Cross References

As discussed in Section 1, this fixture validates section linking.

¹Fixture footnote for linked sections.
